Group name is Ben and Jimmy's Lovechild

This is my prediction for the 2008 NCAA Basketball Tournament. My selections are based on the RPI, SoS and Conference standings. This is not how I necessarily *hope* it looks, but how I *think* it would look if the committee made their decision **today**. Bookmark me and come back often, tell your friends, tell your family, tell your neighbors, hell, tell your enemies!!!

If you have any questions or comments about these predictions, if you find any errors, or if you just want to talk hoops feel free to [email](#) me, [IM me](#) on Yahoo IM ([texasbluedevel69](#)), or post a message on the message board. Please note this is for entertainment purposes only. I'm not affiliated with Bracketology from ESPN or any other projection service. And yes, W.A.G. stands for Wild Ass Guess. Thanks and enjoy.
